Subject: Teleconference Call - Chemours Wastewater Sampling

Ex. 6 - Personal Privacy

Mr. George:

A teleconference call is being held on Thursday, July 13, 2017, at 1:00 p.m. EDT between EPA Headquarters, the NC Department of Environmental Quality, and the Chemours – Fayetteville Works facility, to discuss the recent and ongoing sampling efforts by Chemours to identify and isolate sources of the C3 dimer acid in the Chemours wastewater.

If you and/or other personnel in the EPA Region 4 office would like to participate in the call, please let me know. If you are interested, then someone will send information as to how to connect to this call.

Thank you.

Mike
